WORK EXPERIENCE

Theater Operations Specialist

CSU Dominguez Hills | Carson, CA | 2019-present

- Streamlining operational flow by proactively interfacing with faculty, staff, and outside clients to schedule and facilitate events and productions
- Paving the way for increasingly intricate theatrical designs based on flawless execution of designer plans
- Decreasing build times and inefficiency by training dozens of student workers in high-end carpentry skills and safe building protocols
- Improving organization and maintenance procedures for large, busy shop facility and theater space

Technical Director

Sacred Fools Theater Company | Los Angeles, CA | 2017-18

- Boosted clientelle base and reputation by establishing positive, supportive customer experiences
- Reorganized technical spaces to create more user-friendly environment for clients and in-house technicians
- Bolstered facility's staff by 60% through competency training in a variety of technical theater skills
- Attracted high-caliber designers and technicians by working closely with them to execute designs to the highest standards of safety and artistry

English Teacher

Bonham High School | Bonham, TX | 2014-17

- Raised the bar for rigorous, standards-based instruction in a chronically underserved community
- Improved students' standardized test scores by 12% on average as well as overall passing and graduation rates
- Elevated school's profile by coaching academic teams to unprecedented regional competition victories
- Fostered more inclusive learning environment for all students, including promoting and advising school's first Gay-Straight Alliance program
